**life changing  
adventure**

1st Holgate Scout Group meets weekly at Acomb Primary School and Holgate Methodist Church. An area of unused land next to Acomb Primary School is potentially available to the Scout Group for a new building to benefit both young people and the wider community.

1st Holgate Scout Group is one of the most successful in North Yorkshire and has inspired thousands of young people in the last 35 years.

Opportunities for sports, for learning new skills and increased community involvement would be created.

The Scout Group has been operating 1 of 3 cub groups out of the primary school on one evening a week for two years.

Acomb Primary School After School Club and the Scout Group would use the building for organised events between 15:00 and 21:30 Monday to Friday and for the occasional Saturdays/Sundays.

Please come along to find out how the provision of the new building could benefit our community.

If, however, you are unable to come along please visit our Group web-site at: [www.1stholgatescoutgroup.org.uk](http://www.1stholgatescoutgroup.org.uk) for further information on the project and a link to the online survey to let us know your views.
